You bought the methodology. Now activate Pillar 7.

The ZIP you just downloaded is the complete forensic protocol — 30 worksheets, calculators, and templates across 6 pillars. You can run it by hand on every list you manage. Most operators do, for the first few accounts. **Then it scales beyond what a spreadsheet can carry.**

WHAT'S IN THE ZIP

The Inbox Decay Rescue — Manual Protocol

Six self-contained pillar folders. The Playbook PDF (277KB). 30 worksheets, calculators, and templates. Run them in order. By the time you finish Pillar 2, you'll have a named root cause — not a guess.

WHAT'S AT INBXR.US
